

October 18, 2010

Greetings all!

I hope you owners are enjoying the Jupiter Reef Club as much as I am. If you have been to JRC lately you can see there have been many updating and refurbishing projects undertaken. Flat screen TV's are installed, new umbrellas are in place, the list of repairs is getting shorter, a new security system is being put into place, and wireless is now free. For those of you who await your next visit, we believe you will be pleased. There is more to do and the staff is acting on remaining concerns. And, you can help too! When you come to JRC, let the staff or the JRC Board know your priorities for improvements.

There will be a JRC Board of Directors meeting Tuesday November 2. The time and agenda will be posted. JRC owners are welcome observers and can participate to the extent time allows. If owners have issues or concerns, please let us know. To the extent the issues require a discussion by the Board we can then allow time on the agenda.

Wally Siggers, President
